BE EXCITED FOR CHALLENGE DAY ON FRIDAYS!

Friday is Skills Challenge and Awards day! We will have putting, chipping and long-drive skills competitions in the morning along with a best-ball tournament in the afternoon! We focus on these three areas throughout the week so that everyone will be prepared!

RECOGNIZING EXCELLENCE AT OUR CAMP

At the end of each week, we will give out prizes along with the following

CERTIFICATES OF AWARDS:

- Kindness
- Course Etiquette
- Most Improved Player
- Skills Challenge Winner
- Ms / Mr Talk in my Backswing

Some practices we are implementing to keep everyone safe:

- 1. ON THE PRACTICE PUTTING GREEN:** Use baby powder to mark visual positioning to ensure physical distancing.
- 2. WHILE CHIPPING:** Use pool noodles to clearly define stations to ensure physical distancing and general safety.
- 3. WHILE ON THE DRIVING RANGE:** Assign individual range stalls so that everyone is distanced and safe.
- 4. ON THE COURSE:** Junior golfers will be playing in groups of four and instructors will be constantly monitoring each group and enforcing physical distancing and hand washing. Sanitized pull-carts will also be provided for all.
- 5. JUNIOR ACADEMY-DESIGNATED AREAS** will be marked off and kept separate from the general membership and public.
- 6. COMMUNITY HAND-SANITIZER** will be provided and kids will be encouraged to avail of it regularly.

Suggestions on how to prepare for camp at home:

1. Talk about social distancing. Let's keep a one club-length distance between campers.
2. Bring your own hand sanitizer.
3. Discuss NOT sharing food, snacks or water bottles with fellow campers.
4. Discuss the importance of keeping track of and not losing your own belongings.
